Annual Address of Rev. J. E. Boykin, Moderator of the High Point Association.

Dear Brethern and Coworkers:

On occasions like the present, when the choicest spirits of our people assemble, they expect words of cheer, hope and encouragement. I esteem it not only an honor but a privilige to come to you as your leader; annually with a message bearing on the important work that claims our earnest and prayerful attention.

We have been greatly blessed and highly favored of the Lord in many ways. We have gathered here from our places of labor to report in a manner the good things we have done during this associational year. I would to God that the reports and words from the ones who have been at work may inspire others to do more for mission and general christian work.

In thinking of what I would say on this accasion I decided not to prepare a lengthy address but speak of the work of the association in a general way, as I have been able to see it, and make a few reccommendations that I think will be helpful and accepted.

It is to be remembered the Moderator was requested to visit all churches possible during the year. Your humble servant intended to comply with that desire of the association, but owing to the delay of the minutes which contained the resolutions, I have visited only a few. As chance permitted I made formal as follows: Locust Grove and Elon College of which Rev. Gilmore is pastor. Each of these churches are sharing fully general prosperity They reveal much cause for praise.

At Orange Cross Roads Church, April 14, 1914. Revs. S. Troxler, J. B. Ellis with myself were called in council to ordain Rev. S. S. Woods for the full work of ministry at the request of his mother church. At this time we found the church in a properous condition. Gilmore has had my presence several times on different occasions during the year, and at one time the work of the church was in bad shape, but the executive board met there in council and advise in a matter between the pastor, Rev. Mayes and the church. We found nothing serious, we offered our council in the matter which was followed by both parties. Now the chruch is getting along well

At New Light we found this church to be spiritually alive on our visit there, and from what I could understand perfect concord existed between church and pastor. East Market St. Church under pastorship of Dr. G. H. E. Washington. The church has an efficient leader. I have stoped dfferent times during the year, and each time found all in good spiritual condition.

This church is one of the leading churches among us. Oak Ridge Church had our presence once during the year at which time they were without a pastor, and existing circumstances it was little difficult to get a man to fill the place. The church is nicely located and has a bright future. Dixonville Church of which Rev. A. S. Croom is the efficient pastor had us with them several times during the year. Each time I was impressed more and more with the progressive spirit of the church. Perfect harmony seems to prevail between church and pastor. Space will not permit me to say all I desire about this church.

The First Baptist at Thomasville, and Elon Grove under my supervision I am glad to report both of them in fine spirit and are getting on niely. This concludes my personal visits, but I have kept in touch with all the churches indirectly, and I a able to report the field in good working order.

I was requested to come to Spencer by some baptist members to organize a church for them June 18th and according to their request I went down accompaned by Rev R. E. Catus and organized a church at Spencer known as Friendship Baptist Church. The church has some members in its congregation that are worthy of consideration, and we are pleased to admit them in this our association.

July 15th a council composed of Revs. S. G. Gilmore, S. Troxler, J. B. Ellis and myself assembled at Elon College to ordained Rev. J. L. McMullen. So according to our custom we ordained him to the full work of the ministry. I cannot afford to close this address without mentioning the Auxilliary. I have kept a vigilant eye on the work of the sisters and have rendered all the assistance I could with the help of the other real pastors in our churches, witnessed with no small degree of pleasure the splendid session recently held at Brown Summit. This being the first annual meeting apart from the association I feel sure every sister and brother who attended this session or know of the meeting is elated over the spendid condition and progress this has made under the management of the efficient and level headed sisters who now set at the head to guide it. We heartily approve and rejoice at the work done by these faithful sisters. I want to put on record my approval of thier work and my disapproval of every preacher's actions who fails willfully to assist in this forward movement.

May the following reccommendation be carefully considered and if any part of them meet your approval let us adopt them:

1 That every pastor organize or caused to be organized an Auxilliary in his church and encourage the sisters to attend the annual meeting each year.

2. That all churches encourage the missionary work by giving our miss-

ionary some time during the year to get before the people and give them a chance to contribute to the cause he represents.

3. That each pastor take an interest in the Sunday School Convention to that extent that he will see to it that the Sunday School of his church represent annually in our convention.

J. E. Boykin.

3 That all ministers shall pay fifty cents and shall be paid before said ministers shall have any voice in the association.

4 The officers of this Association shall be a President, Vice-President, Recording and Corresponding Secretaries, Treasurer, and as many Boards of Managers as may seem necessary. Each board shall have control of all business committed to them, and shall be elected annually.

5 All boards, committees and officers elected at one session of the Association shall make a satisfactory report to the Association before they are re-elected.

6 Each church in this Association will be expected to send 20 cents per member, and said amount will be known as the Association fund.

7 The Association will co-operate with the American Baptist Home Missionary Society of New York, with its work within our bounds.

8 We recommend Hiscock's Baptist Church Directory as a true guide for the churches in business meetings within the bounds of this Association.

10 There shall be a treasurer and a fund raised annually and kept expressly for superannuated ministers within the bounds of the Association.

11 The Association shall have no power over the internal affairs of the churches; but where a church holds a pastor and accepts his services the failure or neglect to pay such pastor his salary will place the church in bad standing.

12 There shall be the following boards appointed at each annual session: (1) Home Mission Board; (2) Educational Board; (3) Executive Board.

13 This Constitution may be changed by a two-thirds' vote; provided it does not effect Sections 2, 3, 4, 5, and 10.

15 Extra sessions of this Association may be called by the President and Executive Board, and conduct the same business as an annual session, except in changing the Constitution; this is to be a matter for the annual session.

16 We further recommend that one half of fee for secretary shall be paid at the association, the remaining half to be paid after minutes have deen distributed to the various churches.

3 If any minister violates this order shall be dropped from this Association.

By order of the Executive Board.

Standing Resolution.

1 That while we reconize the independence of the Baptist Church, we cannot believe that said church is at liberty to enact a law or usage contrary to the denomation to which it belongs, or with which it is indentified.

2 That we believe it to our interest as Baptist Churches to cling to and practice the New Testament usages.

3 That we recommend to our brethern of this Association the obtaining of a thorough knowlege of Baptist usages.

4 That it is to be the best interest of the churches of this Association to call miaisters belonging to this Association as pastors.

5 That no minister should be ordained unless his usefulness actually demands it.

6 That we heartily endorse Shaw University, Raleih, as our great Baptist Leardquarters.

7 That the Baptist Home Mission Monthly published under the direction of the American Baptist Home Mission Society, of New York, should be read by every Baptist minister in this Association.
